Dear Parent/Carer

On June 5th the new timetable will begin and pupils in S1 will begin their S2 courses. At this point in the year it would seem appropriate to outline our expectations regarding attitude and application.

The school will have high expectations of all those at Kincorth Academy. We will continue to look for excellent attendance and application in the understanding that this paves the way to success at the end of the year. The school values of Aspiration, Effort, Resilience and Respect will be expectations for all pupils. Expectations regarding uniform have been amended slightly from the School Prospectus recognising that there is only one more year of the school and the uniform for Lochside Academy has not yet been set. All pupils should wear black school trousers or a skirt, a white polo shirt/shirt or blouse and a black jumper. Due to the circumstances there is no requirement for the jumper to have the school badge but it should be plain black. Hoodies are not part of the uniform. Jumpers with the school badge are still available from John Lewis should parents wish to purchase these. Pupils may also choose to wear a school tie available from school reception.

We look forward to welcoming back pupils for the last full academic session of Kincorth Academy and hope that all pupils are fully committed to ensuring they continue to make significant academic progress throughout the year.

Yours sincerely

Mike Paul
